

QtNodes::Style

```
graph BT; A[QtNodes::ConnectionStyle] --> B[QtNodes::Style];
```

The diagram illustrates an inheritance relationship between two classes. At the top is a white rectangular box with a thin black border containing the text "QtNodes::Style". Below it is a gray rectangular box with a thin black border containing the text "QtNodes::ConnectionStyle". Two blue arrows originate from the top edge of the gray box and point upwards towards the bottom edge of the white box, indicating that "QtNodes::ConnectionStyle" inherits from "QtNodes::Style".

QtNodes::ConnectionStyle
