

QtNodes::Style

```
graph BT; A[QtNodes::NodeStyle] --> B[QtNodes::Style];
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a thin black border containing the text 'QtNodes::Style'. Below it is a gray rectangular box with a thin black border containing the text 'QtNodes::NodeStyle'. Two blue arrows originate from the top edge of the gray box and point upwards towards the bottom edge of the white box, indicating that 'QtNodes::NodeStyle' inherits from 'QtNodes::Style'.
